Professional Experience

Medical Solutions Ventures – Las Vegas, NV

Web Developer / Designer / Marketing

July 2020 – Current

- Re-designed and developed multiple websites taking them from static single pages to interactive and converting e-commerce platforms by use of the WordPress CMS.
- Audit and overhaul UI / UX for said websites through builders and custom CSS, perform SEO, and set up back end systems including tracking analytics and integration with HubSpot CRM.
- Produce all marketing content and graphics for both digital and print use through graphic design, copywriting, photography, and video. Software of choice being Adobe CC and the Affinity Suite.
- Carry out marketing campaigns through multiple digital platforms including email and social media.
- Instituted brand guidelines, brand identity, and company presence across all digital channels.
- Assisted in establishing B2C and B2B marketing strategies for both long term and short term goals.

ABC Imaging of Washington - Las Vegas, NV

Assistant Shop Manager / Digital Graphics Specialist

February 2013 – March 2020

- Conduct all aspects of shop management from the inception of projects to completion of production.
- Streamlined multiple processes including front and back end procedures to create a seamless workflow.

- Collaborate with local and national account managers by facilitating project management duties including financials, production and customer service for high profile clients such as:
 - Wynn Design and Development
 - HNTB
 - Atkins North America
 - CH2M / Jacobs
 - Clark County Public Works
 - Fine The Agency
 - Bergelectric
 - IGT

Education

B.A. Graphic Design, California State University Long Beach - GPA: 3.2

Class of 2011

- Major curriculum: branding, typography, color theory, layout, packaging design
- Major coursework: advertising collateral, branding campaigns and professional environment projects

Interests and Hobbies

- All things technology, building fun web projects, cooking, traveling, history and visiting museums
